

Please send all your documentation following the proposed organization: each type of document in the corresponding subfolder and with its own title or credit.

TEXT REQUIREMENTS

- Project Description: 80 – 500 words. The text will be published as received. If available, you can also send the translation of the text in any of the following languages: Spanish, French or Portuguese.
- Please, include the following project credits:
 - Name of the firm / designer (include website, if available).
 - Project Location.
 - Completion Year (if applies).
 - Area.
 - Photographer (include website, if available).
 - Competition name if it is a Competition entry (include website, if available).

Additional credits (Design team, Client, Collaborators, etc.)

- If possible, share with us the software you used to design your project.

RENDER REQUIREMENTS

- Send a minimum of 3 renderings. In architecture projects, please send interior and exterior renders.
- Maximum size 2880 pixels wide and 96 dpi resolution.
- Preferably in .JPG, RGB format.
- Please, indicate us which render you want to be the Featured image.
- Add the right credits for the images in the file names.

DRAWINGS REQUIREMENTS

- All drawings must be submitted in .jpg format.
- You can send a maximum of 10 drawings, to choose from:
 - Site plan.
 - 1 Floor plan per story.
 - Sections.
 - Elevations.
 - Axonometries.
 - Constructive details.
 - Diagrams, schemes, sketches...

OTHER MEDIA

In this section you can include any other type of document that provides extra information about your project, for example:

- Youtube or Vimeo links.
- GIFs.
